1. LEASE RENEWAL TIMELINE
A structured renewal process, starting 180 days before lease expiry, ensures we retain quality tenants, secure market rent, and avoid unexpected vacancies.

1.1 Day 180 Before Expiry: Tenant Review
- Asset Manager conducts credit rating review (payment history, financial stability)
- Assess tenant performance (rental history, maintenance issues, lease compliance)
- Decision: Renew, re-let, or non-renew
- Tenants with credit rating below BB are escalated to Head of Asset Management for renewal sign-off

1.2 Day 120 Before Expiry: Issue Renewal Proposal
- Asset Manager drafts renewal proposal with recommended rent (market rent check completed)
- Proposal is sent to tenant via formal notice (Luxembourg leases require bilingual French/English)

1.3 Day 90 Before Expiry: Follow-Up and Re-Letting
- If no tenant response received, issue formal written notice (registered letter, Luxembourg requirement)
- Escalate to Head of Asset Management
- In parallel: begin re-letting marketing and vacancy planning

1.4 Day 30 Before Expiry: Final Decision
- Final decision on renewal or vacancy plan must be made
- If renewing: engage external legal counsel to prepare renewal lease agreement
- If vacating: finalize vacancy readiness (tenant coordination, make-good scope, marketing)

2. CREDIT RATING AND RENEWAL
2.1 Below-BB Tenants
Any tenant with credit rating below BB requires written sign-off from Head of Asset Management before lease renewal is approved.

2.2 Payment History
Tenants with >2 late payments in the preceding 24 months are flagged for alternative consideration (non-renewal, rent increase, additional security).

3. NOTICE REQUIREMENTS
3.1 Luxembourg Leases (Bilingual)
All formal notices to Luxembourg tenants must be provided in both French and English, sent via registered mail (courrier recommandé).

3.2 Other Jurisdictions
Notice requirements follow local law for the property's jurisdiction.

4. EXTERNAL COUNSEL ENGAGEMENT

Once final renewal decision is made (Day 30), external legal counsel (such as Moreau & Klein Avocats) is engaged to:
- Draft or amend lease renewal agreement
- Coordinate with tenant legal representatives
- Prepare final execution package

5. DOCUMENTATION AND APPROVAL
All lease renewals must have written approval from Head of Asset Management or CFO before execution.
